Start of union reviews

CHMP meeting of 19-22 February 2024

Table 1. Start of arbitration procedure

Name	INN	Type of procedure	Scope
Lorazepam Macure	Lorazepam	Article 13 of Regulation (EC) No 1234/2008	Procedure triggered by the Netherlands. The procedure was initiated because of disagreements between Member States on the addition of a new indication in the context of a type II variation.
